We Have Begun! - *A Message from Zak Kergel, Group Leader*

Greetings Men!

Band of Brothers has officially started! However we are going about it in a different fashion than what typical groups usually start off as. We are basically starting off where our focus needs to be and that is relationships.

The key to being a real "band of brothers" is to have honest and real relationships with each other. Without

that, the group will fizzle out and fail.

That being said we have already had one fellowship outing with many more to follow in the coming months.

I want to encourage all of you to please pray for our group to grow as well as being in prayer for ways in which God can use you in this new undertaking at Niskayuna Wesleyan!

We Need Your Suggestions!!!

We are looking for both a group verse and a group mission Statement to sum up what B.O.B is all about. If you have an Suggestion, send it to me: kergelz@yahoo.com
